May 2018

Dear Residents:

The Board of Education was confronted with many difficult decisions as they prepared the 2018-2019 District Budget as presented to you in this document. We have made every effort to be fiscally responsible and continue to offer a quality education. Given our fixed cost have continued to increase significantly while our last two year's budgets have maintained a 0% increase while the state recouped 500K in previously overpaid state aid, this year's budget is calling for an increase that will exceed the tax cap. We simply cannot continue to offset taxes using a depleted fund balance. This year, we are asking for a tax levy increase of 13%. This bump in tax levy will get us back on track and allow us to continue to offer our students the educational opportunities they deserve.

An informational budget presentation is scheduled for **Monday, May 7, 2018, at 7:00PM in the SPC (gym)**. I look forward to seeing you at that time as we share the proposed 2018-2019 school budget with you, and answer any questions you might have. Please mark your calendars with the date of the budget vote, which is **Tuesday, May 15, 2018, from 12:00 – 8:00 PM in the Elementary Gym at the school**.
