

Deadline approaches for Feasibility Advisory Committee applicants in Clymer, Panama

Community members interested in a seat on the Feasibility Advisory Committee for the Centralization Feasibility Study under way for the Clymer and Panama school districts are reminded to submit their applications by **Thursday, April 13**.

Each district will select a Feasibility Advisory Committee of 10 to 12 members to work with Learning Design Associates, the firm overseeing the study. Committee members are expected to attend all meetings, remain neutral and be open-minded, analyze and reflect on information collected from data analysis and focus group sessions.

Residents in the Clymer district should mail letters of interest to the Clymer Board of Education and send to the Clymer Central School District, 8672 E. Main St., Clymer, NY 14724. Residents of the Panama district should send letters of interest to the Panama Board of Education and mail to the Panama Central School District, 41 North St., Panama, NY 14767.

Letters of interest may also be submitted in person or via email to the respective district clerks: kirwin@clymercsd.org in Clymer and gjordan@mx.pacent.org in Panama.

Applicants will be selected by the respective boards of education and notified by mail.
